### ***Be part of the first area-wide Urban Planning Process***

R1960 has contracted with one of the leading urban planners in Houston to help our area recognize its true potential and develop plans to achieve all we can be. To be part of planning the future attend one of two public meetings.

#### **When:**

1. Tuesday evening, May 13, from 5:30 PM to 7:30 PM or
2. Saturday morning, May 17, from 9:30 AM to 11:30 AM.

**Where** - The gymnasium at Northwoods Presbyterian Church  
3320 FM 1960 West  
Houston Texas 77068

#### **Why should you participate?**

1. The community with its planning consultants will develop a strategic master plan that will serve as the guiding principles for the corridor's community improvements benefiting the area's overall quality of life.
2. The primary focus of the plan is to: improve the quality of life and amenities for all who live and work in the area; achieve a more secure, livable environment where the residents can raise families in peaceful, aesthetically attractive neighborhoods; preserve an area where businesses can prosper; and where schools and institutions can better serve the entire community.

**What can you do?** Share this notice and be sure others come. Tell a friend and be sure they know how important their input is to the future.

**Who should attend?** YOU!

If you live, work have a business or invest in this area then you are important to the future and should share your vision and passion for making this all we can be.
